

Phytovation Ltd

How to find us

From the A55

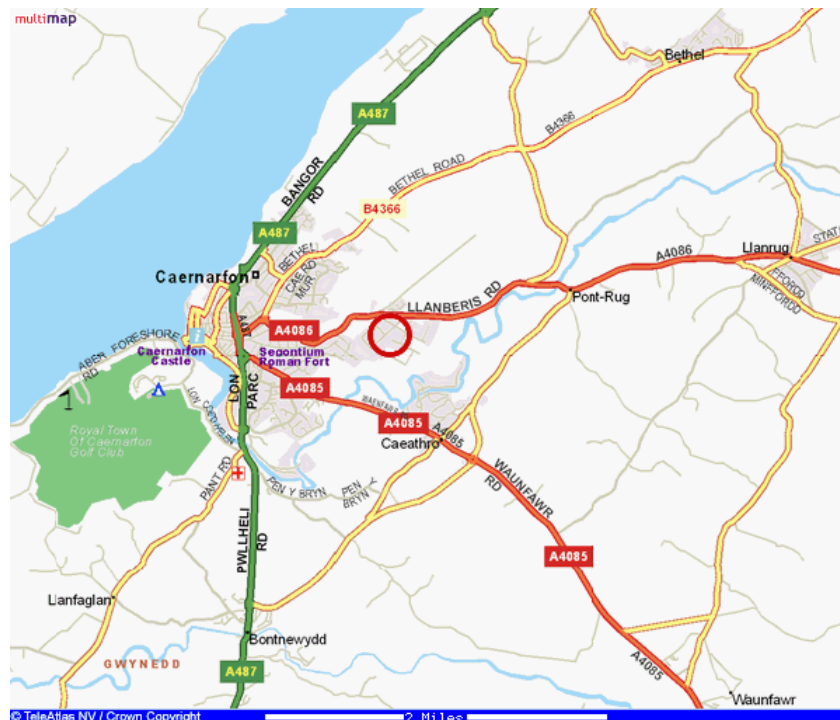

Follow the A55 to Bangor and then take the A487 to Caernarfon. On entering Caernarfon there are two roundabouts in quick succession. Go straight on at each of these following the signs for Llanberis and immediately after the second take the slip road on the left and take the first exit from the roundabout onto the A4086 towards Llanberis. You will quickly come to another roundabout, take the second exit still on the A4086 towards Llanberis. Cibyn Industrial Estate is on the right after approximately 1 mile.

From the A5

Approximately 5 miles after passing through Betwys-y-coed turn left at Capel Curig onto the A4086 signposted Caernarfon. After a further 5 miles (approximately) at Pen-y-Gwryd turn right, still on the A4086 signposted Caernarfon. Cibyn Industrial Estate is on your left as you first enter Caernarfon.

On Cibyn Industrial Estate (we are in Zone 6)

Once on the estate continue straight on to a T junction, turn left. Then take the first right and after about 50m you are forced to turn left. Phytovation is the last building on the left.

Units 8/9 Zone 6 Cibyn Industrial Estate, Caernarfon, Gwynedd LL55 2BD
